Publication in Larcier's Bouw-en Vastgoedcahier

Marco Schoups and the construction law team worked together on Larcier's latest Bouw-en Vastgoedcahier [Construction and Real Estate Journal]: "*The Rules of good workmanship and quality marks in the construction sector*", a practical guide to 'Construction rules' and 'Quality marks'. The issue can be obtained [here](#).

Christine Heeb of Schoups is on the editorial board of this series of Journals.
