DEALS NEWS - Talboom becomes part of Sweco

SCHOUPS advised in the sale of the shares of Studiebureau Talboom and Talboom Pharmachem to Sweco. Talboom Group (<http://www.talboom.be>) was founded in 1969 and currently employs 110 experts and holds a solid track record in delivering engineering services in pharmaceuticals, biotech and infrastructure. Sweco Belgium has a strong presence in the industrial sector (<https://www.swecobelgium.be>) and Sweco AB's shares are traded on Nasdaq Stockholm.
